### **For Immediate Release:**

AUSTIN, Texas, November 14, 2016 – Author Emily J. Hooks announced today that she is raising nearly \$17,000 in funds via a rewards / equity crowdfunding campaign on Kickstarter. The month-long fundraising movement will provide the resources needed to complete the production, promotion, marketing, and distribution of her newest book - *The Power of Forgiveness: A Guide to Healing and Wholeness*.

From now until **December 15<sup>th</sup>** the campaign will use crowdsourcing to bring the book into the world, offering backers rewards like discounted print edition + eBook pre-orders, personalized forgiveness packages, and heavy markdowns on one-on-one forgiveness coaching.

*The Power of Forgiveness* is a handbook and comprehensive guide to forgiveness as a personal healing practice. The book promises you can learn to forgive anyone for anything. In it, the author makes the crucial point that, for us to be the most empowered versions of ourselves in the world, we must prioritize our healing. And forgiveness is the most important path toward healing that we can undertake.

The ultimate objective of this project is to create a world filled with forgiving human beings responding to the challenges of the day with compassion and a desire for unity and peace over retribution and suffering.

Author Emily J. Hooks says, "My mission is to share the power and purpose of forgiveness with the world and to help us realize our true strength in the absence of fear. My hope is that everyone who reads the book will feel the same fundamental healing energy I feel as I turn the pages," she continued, "It has never been more important than it is today for each of us to recognize that as we heal ourselves, so does the world around us. "

Visit [The Power of Forgiveness Kickstarter page](#) to pre-order the book, meet the author, and learn more about the book that's empowering the world with the personal healing practice of forgiveness.
